Material heritage of 8th century in the zone of Croatia

by I.CRAWFORD

Abstract: The present paper is concentrated on the analysis of the problems and evolution of research of the 8th century in the zone of Croatia. The problems between Avar and post Avar age sites as well as the role of medieval archaeology in the late Avar Age in Croatia are some of the main problems of discussion of the present work.

Key words: medieval archaeology, medieval history, material heritage, Croatia, 8th century
